CHILDREN'S NEWSLETTER OF ELLINGTON FARMAN LIBRARY

JANUARY 2021

Tired of just making the same old snowman? Here's some more ideas on how to have fun in winter.

- Mix water and food coloring in squeeze bottles and paint messages and pictures in the snow
- Pack cookie cutters with snow and place the shapes on a cookie tray (pretend they're cookies!)
- Get out your beach toys – dig with the shovels, build castles with buckets, etc.
- Practice writing letters, drawing shapes, or making designs in the snow with a stick. Try stomping your feet to make designs and letters in the snow.
- Fill a bucket with snow and hide a few small toys inside. See how long it takes your friend to find the toys.
- Freeze some of your mini toys in ice trays, hide them around the yard, and have a scavenger hunt! Come inside and put them in a bowl of hot water to watch them melt for more fun!

Snow Kisses
If you go out
when it's snowing
And look up at the sky,
You'll feel lots
of icy kisses
As the snowflakes
flutter by.
