BOARD OF TRUSTEES

MEET JUNE 27th at 7PM

In the community room
Meetings are open to the

IT'S A ROAD TRIP! (ARTICLE SUBMITTED FROM CCLS)

Starting June 1st, the 38 libraries in the Chautauqua-Cattaraugus Library System (CCLS) will be promoting the CCLS Road Trip. This free program is meant for every community member in both counties, regardless of library card or usage status, to visit as many libraries as they can during summer. Libraries offer incredible programming throughout the year, and summer is a great time to get the family involved through summer reading programs. Each library has a unique feel and offerings, and we want the community to come in and enjoy.

Running from June through August 2022, everyone is encouraged to stop by your local (or any CCLS library) to pick up your free Passport and Map of all the libraries. With your Passport in hand, make sure to get your first stamp at the library and plan to visit all 38 libraries this summer. There will be small prizes for reaching a certain number of stops; check out www.cclsny.org/roadtrip for more information. On top of exploring and seeing firsthand our fantastic libraries, we encourage you to check out a Day Adventure Pass to explore partner organizations around the area. Summer in Western New York is a great time to become an explorer in your backyard, and libraries are here to help.

Make sure to visit the library's website for the most up-to-date hours and upcoming programs as you plan your road trip. This year's summer reading theme is "Oceans of Possibilities," so you'll find Storytime, crafts, and entertainers are mostly about oceans, water, and sea creatures all summer long. All this water programming will help you cool down during a hot summer. You never know what you'll discover until you start your Road Trip!

CCLS is a system of 36 libraries in 38 locations around Chautauqua and Cattaraugus counties. Through this connected system, all the libraries work to better their community, provide materials and offer programs. We can't wait to see you this summer!

**How many libraries will
you visit this summer?**

ADULT BOOK CLUB MONTHLY SELECTION

The Adult Book Club meets the third Thursday of every month at 11am. On June 16th they will be discussing "Lemon Orchard" by Luanne Rice. New members are welcome.

BOOK REVIEW: The Lemon Orchard, Rice's romantic love story between two people from seemingly different worlds.

In the five years since Julia last visited her aunt and uncle's home in Malibu, her life has been turned upside down by her daughter's death. She expects to find nothing more than peace and solitude as she house-sits with only her dog, Bonnie, for company. But she finds herself drawn to the handsome man who oversees the lemon orchard. Roberto expertly tends the trees, using the money to support his extended Mexican family. What connection could these two people share? The answer comes as Roberto reveals the heartbreaking story of his own loss—a pain Julia knows all too well, but for one striking difference: Roberto's daughter was lost but never found. And despite the odds he cannot bear to give up hope.

Set in the sea and citrus-scented air of the breathtaking Santa Monica Mountains, The Lemon Orchard is an affirming story about the redemptive power of compassion and the kind of love that seems to find us when we need it most.

CELL PHONE ETIQUETTE

We kindly request that cell phones not be brought into any program being held in the community room.

Buzzing, beeping, ringtone music and other conversational noise is a distraction to the program presenters. Please turn cell phones off or, if you feel the need to have it on you may leave your phone at the front desk and we'll alert you to a call. Thank you for showing respect to program presenters and other patrons.

Book Highlight of the Month

ADULT FICTION: THE SURGEON'S DAUGHTER BY AUDREY BLAKE

Women's work is a matter of life and death.

Nora Beady, the only female student at a prestigious medical school in Bologna, is a rarity. In the 19th century women are expected to remain at home and raise children, so her unconventional, indelicate ambitions to become a licensed surgeon offend the men around her. Under constant scrutiny, Nora's successes are taken for granted; her mistakes used as proof that women aren't suited to the field.

Everything changes when she allies herself with Magdalena Morenco, the sole female doctor on-staff. Together the two women develop new techniques to improve a groundbreaking surgery: the Cesarean section. It's a highly dangerous procedure and the research is grueling, but even worse is the vitriolic response from men. Most don't trust the findings of women, and many can choose to deny their wives medical care.

Already facing resistance on all sides, Nora is shaken when she meets a patient who will die without the surgery. If the procedure is successful, her work could change the world. But a failure could cost everything: precious lives, Nora's career, and the role women will be allowed to play in medicine.

ADULT NONFICTION: THE BEAUTY OF DUSK BY FRANK BRUNI

From New York Times columnist and bestselling author Frank Bruni comes a wise and moving memoir about aging, affliction, and optimism after partially losing his eyesight.

One morning in late 2017, New York Times columnist Frank Bruni woke up with strangely blurred vision. He wondered at first if some goo or gunk had worked its way into his right eye. But this was no fleeting annoyance, no fixable inconvenience. Overnight, a rare stroke had cut off blood to one of his optic nerves, rendering him functionally blind in that eye—forever. And he soon learned from doctors that the same disorder could ravage his left eye, too. He could lose his sight altogether.

In *The Beauty of Dusk*, Bruni hauntingly recounts his adjustment to this daunting reality, a medical and spiritual odyssey that involved not only reappraising his own priorities but also reaching out to, and gathering wisdom from, longtime friends and new acquaintances who had navigated their own traumas and afflictions.

The result is a poignant, probing, and ultimately uplifting examination of the limits that all of us inevitably encounter, the lenses through which we choose to evaluate them and the tools we have for perseverance. Bruni's world blurred in one sense, as he experienced his first real inklings that the day isn't forever and that light inexorably fades, but sharpened in another. Confronting unexpected hardship, he felt more blessed than ever before. There was vision lost. There was also vision found.

GIVE BIG CHQ 2022 IS JUNE 9TH AND WE'RE PARTICIPATING!

Ellington Farman Library is participating in the Give Big CHQ, an online fundraiser hosted by The Chautauqua Region Community Foundation specifically to help nonprofits raise funds on June 9th. **"Forward with Confidence"** is our 2022 Give Big CHQ theme. This year our campaign is focused on financial sustainability. Every donation we receive will be deposited into our endowment fund.

A portion of our yearly budget is funded by the Town of Ellington. Unfortunately they are never able to fund us in full which means, just this year, we are short \$21,672. Fundraisers, grants and our endowment fund have to make up for the shortfall. Being financially short every year keeps our focus on the day to day expenses instead of planning for our long range goals. Growing our endowment fund would help us plan for a financially stable future. Your donation to our endowment fund on June 9th will help us be confident in our financial ability to provide these services to our community now and in the future.

- Confident that children's reading levels will continue to be advanced by their library visits.
- Assured that community health will be improved by our program offerings.
- Guaranteed that literature discussions will carry on in our Book Club.
- Certain that art and creativity will continue to be found in our programming.
- Confident that high speed free internet access and updated technology will continue to be available to our patrons.

Growth in our endowment fund allows us to keep the focus on our true mission and not just the day-to-day survival of our library. We provide free access to resources that enhance and enlighten the lives of our community. We offer a user friendly environment that supports the numerous ways people learn, create and discover information. **You play an integral role in helping us sustain our mission for years to come. We'll preserve the past, your donation on June 9th will secure our future.**

Our Website is: <https://www.givebigchq.org/organizations/ellington-farman-library-association>

Online financial donations are being accepted thru the site on one day only- June 9th. If you give during the hours of 7:16am-7:16pm you will help us qualify for an added financial award. You can also assist us by spreading the word and forwarding our site link. Please consider sharing our Give Big CHQ Facebook posts to your social media pages. Thank you for partnering with us in the 2022 Give Big CHQ and helping Ellington Farman Library **"Move Forward with Confidence."**

UPCOMING PROGRAMS FOR JUNIORS OFFERED AT OUR LIBRARY THROUGH THE CHAUTAUQUA SAFETY VILLAGE

The Library, in partnership with the Chautauqua Safety Village, will be providing a Babysitter Certification course on Wednesday July 6th from 9:30am—2pm. This hands-on lesson is designed for youth ages 10 through 16. Participants will learn how to care for infants and young children, communicate effectively with children and their parents, offer age appropriate games, meals, and snacks, recognize safety issues and learn how to respond in an emergency. At the end of class, each student will receive their own babysitting bag. This course is an important step in preparing older youth to be in charge of their younger siblings. Upon completion of the course, students will receive a two year certification from the American Heart Association (for youth 12 and older) and will be trained in choking relief and basic first aid. Participation in this course should help youth find babysitting jobs by showing future clients they are well qualified for the job.

Objectives:

1. Learn and demonstrate the proper CPR technique for adults and infants.
2. Learn and demonstrate the proper choking relief for adults and infants.
3. Demonstrate the ability to prepare child-friendly meals and snacks.
4. Learn and practice basic first aid techniques.
5. Demonstrate how to properly care for an infant.
6. Discuss behavior and discipline techniques.

HOME ALONE SAFETY COURSE

The Library will be hosting a free Home Alone Safety class for youth in grades 3-8th on Wednesday July 20th from 11am—12:30pm. This is a great course taught by experienced leaders from the Chautauqua Safety Village. They highly recommend you have your child attend as it's very informative and will provide parents peace of mind as they leave their children home alone, especially in the summer months. Below is a description of what participants will be learning.

The students will explore four topics that comprise the home alone safety plan: kitchen, fire, first aid and personal safety. They will develop an awareness of dangers in the kitchen, they will learn how to respond if there is a fire in their home, they will learn basic first aid procedures, understand what it means to be safe, and understand the importance of decision-making and how it effects their safety.

The students will learn to;

- Recognize and verbalize the potential dangers in their kitchen.
- Visually identify items that can get hot and can start fires.
- Understand how to check a door to see if it is hot.
- Understand how to use an escape ladder.
- Understand the importance of knowing two ways out of every room.
- Understand the importance of not returning to a burning building.
- Observe a mock 911 call.
- Observe and understand appropriate first aid treatment for basic medical emergencies.
- Practice decision-making skills.
- Recognize and identify unsafe situations.
- Understand and develop internet safety guidelines.
- Develop a personal safety plan.

No limit on class size but registration requested by July 11th.

Funding for this program is from the Falconer Region Community Fund at the Chautauqua Region Community Foundation.
