

Collection Development

- 1. Collection development is done by review procedures established by the Chautauqua-Cattaraugus Library System.**
- 2. The Library Director is responsible for ordering library materials that meet the needs and interests of all persons who are served by the library.**
- 3. The library will provide materials on a wide range of topics and in various media, as its budget permits.**
- 4. Trends in patron interest will be a major factor in selecting additions to the library collection.**
- 5. Books and materials for children will be shelved in a children's section. Parents are encouraged to help their children in selecting materials that are appropriate for each child's age and level of maturity.**
